

31 AUG 1960

The Honorable Iver D. Fenton
House of Representatives
Washington, D. C.

Dear Mr. Fenton:

Thank you for your letter of 16 August concerning
Mr. []

Mr. [] was considered for employment with us and
was medically examined in this connection. He was not,
however, selected from among the candidates for the posi-
tion then under consideration and was so advised at the
time. Your inquiry suggests that this was not clear to
him and we are writing him to be sure that he does under-
stand the status of his application. A copy of that
letter is enclosed.

Regarding future prospects for Mr. [] employ-
ment with us, it appears unlikely that an opening will
develop for him in the immediate future but we will keep
his application for consideration in the event a suitable
vacancy should occur.

Your interest in Mr. [] application is appre-
ciated and we shall advise you should we find that we
are in a position to offer him employment at some future
date.

Sincerely,

SIGNED

STAT

We have received an inquiry from the Honorable Iver D. Fenton regarding the status of your application for employment with us. It appears that the conclusions reached when you visited Washington last July were not made completely clear to you. It was determined at that time that you would not be appointed from among the candidates then under consideration and that there was no other opening for which you could be considered.

Your application has been retained for future consideration but the present forecast of our personnel requirements for the indefinite future does not suggest any vacancy within the area of your general qualifications. Accordingly, we would encourage you to consider other employment opportunities of interest to you without regard to your application here.

Your interest in employment with us and your cooperation during the preliminary evaluation of your qualifications were appreciated.

Sincerely,

W. B. BROWN
